ACTS  
1:8

"BUT YOU WILL RECEIVE POWER WHEN THE HOLY SPIRIT COMES ON YOU; AND YOU WILL BE MY WITNESSES IN JERUSALEM, AND IN ALL JUDEA AND SAMARIA, AND TO THE ENDS OF THE EARTH".

WEEK # 5

# WHAT DOES IT MEAN TO WITNESS?

The act of witnessing is simply sharing with someone who Jesus is, what he's done, and what he is doing now.

To do this well is to be deeply present with those around us. When we are truly present, we have the opportunity to mirror the relational rhythms of Jesus by.....

**noticing** the overlooked,  
being **available** in interruptions,  
holding **compassion** for another's story,  
and intentionally **empowering** others to live in their true identity.

# HOW DO I USE THIS GUIDE?

This 11-week guide is designed to help you intentionally **be with Jesus** in a way that slowly shapes you to **become like him**.

Each week, there will be three movements to follow: **1)** Read a story of Jesus from one of the Gospels through the lens of three observation questions, **2)** reflect through prayer on how that story is leading you to love like Jesus, and **3)** participate in a simple practice focused on being a witness to someone.

These movements should be done at your own pace. You can do all the movements in one sitting or (as we recommend) space them out through the week.

While none of this is a formula or prescription for witnessing or connecting with Jesus, we hope it helps guide and equip you to **love like Jesus** in your community.

# JESUS AND NICODEMUS

WEEK FIVE  
JUNE 28 - JULY 4

## Movement #1 | Scripture Reading

Read **John 3.1-15** and pay close attention to these three movements, writing down your observations: **1)** what does Jesus do, **2)** what does Jesus say **3)** how do people respond?

## Movement #2 | Prayer Reflection

Take the observations you made from the Scripture Reading movement and use them as reflective prayer prompts. Ask the Holy Spirit to guide you in becoming like Jesus in the way he speaks and acts in this story. Be as specific as you can. Ask for eyes that truly see the people around you and a fire within you to share the good news of Jesus.

## Movement #3 | Witness Practice

When someone asks a question about faith this week, treat it like an open window into their soul, not a debate to win. Listen for the underlying emotion behind their words—is it doubt, hurt, or genuine curiosity? Before offering any answers, mirror their heart back to them. Say: "That's a profound question. What brought you to think about that?" Shift from being a defender of answers to a safe harbor for honesty, making others feel deeply heard.
