LUTHERAN SCHOOL

1st Grade Weekly News

Dear Parents,

Another busy week! You may notice that we ended up doing a review week in math to cover place value, +9s, +8s, solve for the unknown, and doubles. We will officially start Doubles +1 in math *next* week. Highlights from this week include adding more elements to our morning calendar (telling time, naming patterns and counting coins), starting to get the hang of our “units” in reading and reading a book about snow!

Have a blessed long weekend!
