### **Week 17: Advent 2**

Can you believe we are in December?? This is a very busy couple of weeks. Today, your scholar should have turned in their

rough draft either emailed or handed in to me. I have also sent home their recitation that they need to memorize for our Christmas program. We go over it a couple of times in class, but it is always nice for them to study at home as well. Next week, I will be handing out the Science Fair packet. The project is done completely at home, but there are due dates in the packet for them to have me check off. The first due date is their topic that I must approve. It needs to be an experiment that they can test at least three times. This due date will be due after we come back from the Christmas break. I will also send you an email copy of it.

We are so close to our goal of \$100,000, so please consider donating to our annual Eagle Fund. I have already contributed as well. If we reach our goal by December 31<sup>st</sup>, our scholars will get an extra day of Winter Break in February!!!! Visit the link on the school's newsletter. Thank you in advance. We can't do this without you!!! Go Eagles!!!!

*The Lord's Prayer: 3<sup>rd</sup> Petition*

*Thy will be done on earth as it is in heaven.*

*What does this mean?*

*The good and gracious will of God is done even without our prayer, but we pray in this petition that it may be done among us also.*

*How is God's will done?*

*God's will is done when He breaks and hinders every evil plan and purpose of the devil, the world, and our sinful nature, which do not want us to hallow God's name or let His kingdom come; and when He strengthens and keeps us firm in His Word and faith until we die. This is His good and gracious will.*

*Bible Verse:*

*"For I know that nothing good dwell in me, that is, in my flesh, For I have the desire to do what is right, but not the ability to carry it out." Romans*

*7:18*
