MOORE NEWS

Thank you for coming to visit this past Wednesday and Thursday. I enjoyed meeting with each of you! Your children are so special and I enjoy being part of their educational journey. Feel free to contact me if any question arises.

Nightly practice of Latin Vocabulary and Multiplication facts is necessary for scholar mastery of each subject. We USE multiplication throughout our year in Math, so this needs to be automatic.

We ALL need support navigating safely through the ever-changing technology universe! **Have you joined Parent ProTech yet?** Make sure you take advantage of this resource to aid your child(ren) as they grow up in this fast-paced, ever-increasingly dangerous, environment. See the newsletter for the link to join!

NOTES FROM YOUR PTL

Join the PTL Volunteer list!

New volunteer opportunities are always coming up, and we are always looking for additional hands. If you would like to join the master volunteer list to stay up on new and immediate volunteer needs, [clickhere](#) to visit our website & scroll down to enter your information.

Bids for Kids Kicks off This Wednesday!

Want to help the PTL raise funds AND build community? Volunteer to host a "Social" to be sold as part of our annual Bids for Kids fundraiser.

A Social is an event, party, or activity that OSL community members pay to attend. They can be for kids or adults such as Father/Son outings, Mother/Daughter teas, Kids vs. Parents Kickball etc.

SCHOOL REMINDERS

Smart Families

Online Event – THIS TUESDAY

NAVIGATING TECH THROUGH THE LENS OF FAITH

RSVP for 9am or 7pm

At Our Savior Lutheran School, we are committed to creating a safe, focused, and engaging learning environment for our Eagles. This year, we are excited to partner with Smart Families, an organization that helps parents understand the impact of technology and provides tools to support healthy habits at home. OSL has long operated as a technology-free campus to encourage meaningful engagement in our Classical Lutheran curriculum, and this partnership helps families understand the science behind these intentional choices.

We invite all families to adopt four shared norms to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

IN CASE YOU MISSED OUT ON ANY OF THE SMART FAMILIES PRESENTATIONS-

Go to the school newsletter and access the archived version. Listening to each of them will be well worth your time!

Annual Fund - Donate Today!

Through our annual fund, we seek to ensure that our school continues to provide high-quality Christian education to all our scholars, regardless of their financial circumstances.

All gifts will allow Our Savior Lutheran School to go above and beyond for its scholars and families. We have a lofty goal this year for our #EagleFund of **\$100,000**.

Please help us meet our end of year budget needs by supporting this year's #EagleFund campaign!

If we reach our goal by December 31, our scholars will get an extra day of Winter Break in February!

Thank you in advance for your support. We can't do this without you!
