SHOW & TELL

(Tuesday)

Next week, bring your favorite

Christmas ornament or nativity scene.

LETTERS & NUMBERS

- Introduced Jj.
- Introduced 7. Things related to seven – days of the week, orifices in the head, wonders of the world, colors of the rainbow, Snow White's dwarves, members in Mrs. Crabtree's family.

OUTDOOR LEARNING (Tuesday afternoon)

We looked for acorns around some oak trees so that we could complete an activity inside. We also looked at the life cycle of an acorn and read some books relating to acorns. We watched a short video about acorns. I think the squirrels beat us in picking up most of the acorns because we didn't find very many, but enough to complete our activity. ☺

SCIENCE (Thursday)

No Science this week. Thanksgiving Feast and lots going on!

We hope that you see the value in the education we provide and that you will consider donating towards this year's Eagle Fund.
