

Mrs. Prestwood's Ponderings Third Grade

Rains in their Season

In Leviticus 26:4, God tells the people He will “give you rains in their season, and the land shall yield its increase.” Here in Houston this last week, we have surely seen enough rain so that the land may yield a great increase! We may be thankful for the cooler weather the rain has given us, or we may look at it as an obstacle to all the fun outdoor activities we wish to do. However, when God waters the Earth, He wants the land to flourish and give forth its fruits. He gives us the refreshment that comes with cooler, gentle rains. And He knows that where He send His Word, that, too, will send forth a great yield in the hearts in which it dwells. So as the rain brings forth fruit, so God’s Word yields great blessings to those who hear it.

MATH

Last week, we learned about prime and composite numbers as well as how important it is to learn the 12’s times table. Next week, we will learn about conversion such as the number of feet in a mile and the number of pounds in a ton.

No test on Friday, May 8

GRAMMAR

Last week, we learned about contractions. Next week, we will learn about interjections and possessive nouns.

No test next week!

LATIN

Last week, we learned predicate nouns and reviewed all tenses of *sum*. Next week, we will review this. Our Latin saying for the next week is “Stupor mundi”, which means **wonder of the world**.

Test on Friday, May 8

“Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him.
Psalm 98:1

Looking for a home church? Join us on Sunday at **Our Savior Lutheran Church!**
Bible class - 8:15

Church - 9:30

Sunday School for all ages - after church

HISTORY

Last week, about King John and the Magna Carta. Next week, we will learn about the Black Death in Europe and the Hundred Years' War. We will also learn about the Rocky Mountain states in geography.

SCIENCE

Last week, we learned about Chauviac and his discoveries about anatomy. Next week on Thursday, we will have a test over what we have learned so far.

Test on Thursday, May 7.

Ice Cream, You Scream!

The students are counting down the days until our ice cream party! When 15 students receive a 100 on their "Minute of Math Madness", the class will get free ice cream on Tuesday, May 19. Those who have achieved a 100 will also get chocolate sauce, sprinkles, whipped cream, and cherries. The scholars have worked hard to memorize their multiplication tables!

Learn By Heart, Week 35

Memory Work

How can bodily eating and drinking do such great things? Certainly not just eating and drinking do these things, but the words written here: "Given and shed for you for the forgiveness of sins." These words, along with the bodily eating and drinking, are the main thing in the Sacrament. Whoever believes these words has exactly what they say: "forgiveness of sins".

"And blessed is she who believed that there would be a fulfillment of what was spoken to her from the Lord." St. Luke 1:45

Please make sure you are checking your child's planner and signing it daily. This is the best way to communicate with your child about his or her school day and important assignments!

Important Reminders

- Wednesday, May 6 - Chapel at 8:15 - Families are welcome.
- Friday, May 8 - Memory Work Test
- Thursday, May 7 - Science Test
