

Mrs. Prestwood's Ponderings

Third Grade

It's the Most Wonderful Time of the Year!

No, it's not Christmas. It's National Lutheran Schools Week! This time each year, we get to celebrate the LORD's blessings as He gives us a Lutheran school to attend, a faculty of friends with which to teach, and some stupendous scholars with whom we share the love of God every day. This week, we will have devotions and trivia with our house families, run races and play games with our school families, and have hymn and prayer walks with our class families. We'll watch as scholars share their God-given talents with the school. But most of, we will sing unto the LORD a new song for He has done marvelous things!

MATH

Last week, we used our 7's multiplication facts to solve word problems and compute facts. Next week, we will skip count by 8's and we will review pints, quarts, and gallons as we learn there are 8 pints in a gallon.

Test on Friday, Jan. 23.

GRAMMAR

Last week, we continued learning about conjunctions, specifically AND, OR, and BUT. Next week, we will continue to work with conjunctions and practice classifying different types of sentences with conjunctions.

LATIN

Last week, we learned about the 2nd declension neuter endings for nouns. We also learned new vocabulary that connects to the Civil War - "Ante bellum". As we continue to study this lesson, make sure to spend at least 10 minutes a night reviewing the Latin words learned.

“Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him. Psalm 98:1

Looking for a home church? Join us on Sunday at **Our Savior Lutheran Church!**
Bible class - 8:15

Church - 9:30

Sunday School for all ages - after church

HISTORY

Last week, we learned about the Vikings, and Cyril and Methodius, missionaries to the Slavs and Alfred the Great. Next week, we will learn about Iceland and it being called "The Land of Fire and Ice" and Good King Wenceslaus I.

Second deadline for history fair project is February 6.

SCIENCE

Last week, we learned about Aristotle and how he discovered that a projectile's distance traveled will be affected by the medium through which it travels. Next week, we will learn about Robert Grossetest and how he produced the scientific method which we use today to question, hypothesize, experiment, and observe.

Important Reminders

- **Math chapter 19 test - Friday, Jan. 30; Memory Work test - Friday, Jan. 30**
- **Farmer Boy Quiz (21-29) - Tuesday, Feb. 3**
- **Farmer Boy Final Test - Friday, Feb. 6**

Step-Up Day (Scholars Only) - Tuesday, Feb. 3

Second deadline for history project - outline due February 6

Learn By Heart, Week 22, Epiphany 3

The Lord's Prayer - Conclusion

For thine is the kingdom and the power and the glory forever and ever. Amen.
What does this mean? This means that I should be certain that these petitions are pleasing to our Father in heaven, and are heard by Him; for He Himself has commanded us to pray in this way and has promised to hear us. Amen, amen means "yes, yes, it shall be so."

"[A]nd call upon me in the day of trouble; I will deliver you, and you shall glorify me."

Psalm 50:15
