LITERATUS LINGUA

OUR SAVIOR LANGUAGE ARTS

Seventh & Eighth Literature

The plays presented by the 7th & 8th graders were very well received by the school! Not only are the younger scholars familiar with Shakespeare, they are also looking forward to reading Shakespeare plays themselves. Great job!

“The Lady or the Tiger” by Frank Stockton

A King devises a trial to punish the gardener’s son who fell in love with his daughter; and she fell in love with him. The gardener’s son would be placed in an arena with two doors- one with a beautiful lady he would marry, and one with a ferocious tiger. The boy would choose. The Princess finds out which door conceals the lady and which conceals the tiger. She signals the boy. Does she lead him to the lady or the tiger?

Literature Learn By Heart Extra Credit

Learn by Heart Extra Credit this week was

the Nicene Creed worth **40 Points**

Logic I

Ch. 13 Qualitative Rules Quiz Monday 11/10

There are Seven Rules for determining validity in a Syllogism. They are divided into Three categories:

Terminological Rules

1. There must be Three and Only Three Terms.
2. The Middle Term must not occur in the Conclusion.

Quantitative Rules

3. If a Term is Distributed in the Conclusion, then it must be Distributed in the Premise.
4. The Middle Term must be distributed at least once.

Qualitative Rules

5. No Conclusion can follow from two Negative Premises.
6. If the two Premises are affirmative, the Conclusion must also be affirmative.
7. If either Premise is Negative, the Conclusion must also be Negative.

Logic II

Ch. 12 Epicheimera Quiz Tuesday 11/11

An **Epicheimera** is an argument in which at least one of the premises contains causal propositions. A **causal proposition** includes proof for the proposition or the reason for believing the proposition to be true.

First Order Epicheirema- The causal proposition is in the major premise.

All M is P, since
All S is M
Therefore, S is P

Second Order Epicheirema- The causal proposition is in the minor premise.

All M is P
 All S is M, since r
 Therefore, S is P

Third Order Epicheirema- The causal propositions are in both the major and minor premises.

All M is P, since r
All S is M, since r
Therefore, S is P

Support #EagleFund!

Annual Fund - Donate Today!

Through our annual fund, we seek to ensure that our school continues to provide high-quality Christian education to all our scholars, regardless of their financial circumstances.

All gifts will allow Our Savior Lutheran School to go above and beyond for its scholars and families. We have a lofty goal this year for our #EagleFund of **\$100,000**.

Please help us meet our end of year budget needs by supporting this year's #EagleFund campaign!

If we reach our goal by December 31, our scholars will get an extra day of Winter Break in February!

Thank you in advance for your support. We can't do this without you!
