

Mrs. Prestwood's Ponderings

Third Grade

Leave a Legacy

When people have children, one of the things they do is to divide up their possessions among their children in a will. These possessions may include photographs, family heirlooms, clothes - whatever it would take to leave a remembrance of themselves for year to come. Have you thought about what kind of legacy you are leaving for future generations of Houstonians? Here at Our Savior Lutheran School, we teach children so that they may have an eternal legacy with our LORD. As we do this, we continue to grow and need more space for others to receive that same legacy. Think about how you might build toward future Eagles' legacies by contributing to our Eagle fund. Leave a Legacy of Love today!

MATH

. For the last two weeks, we have worked on multiplying 2 digits by 2 digits. We are now going to add the element of regrouping to this concept. While it may be a difficult concept, it is one that will be essential to future math concepts.

Test on Friday, March 27.

GRAMMAR

Last week, we were introduced to helping verbs as part of a verb phrase. This week, we will continue to look at such concepts as quotations and how to punctuate them.

LATIN

Last week, we learned that adjectives and nouns must have the same ending. This week, we will continue translating adjectives with nouns while adding questioning words to sentences like "Cur", "Quando" and "Quis".

Test on Friday, March 27.

"Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him.
Psalm 98:1

Looking for a home church? Join us on Sunday at **Our Savior Lutheran Church!**
Bible class - 8:15

Church - 9:30

Sunday School for all ages - after church

HISTORY

Last week, we learned about Erik the Red and Leif Ericsson and how Ericsson actually sailed to America before Columbus. This week, we will learn about Macbeth, King of Scotland, and El Cid, Spanish hero.

SCIENCE

Last week, we learned about Giles and how he discovered molecules in liquids and how they displaced each other. This week, we learn about Bradwardine and how different experiments can sometimes produce the same results.

Learn By Heart, Week 29

Memory Work

Which are these? Consider your place in life according to the Ten Commandments: Are you a father, mother, son, daughter, husband, wife, or worker? Have you been disobedient, unfaithful, or lazy? Have you been hot-tempered, rude, or quarrelsome? Have you hurt someone by your words or deeds? Have you stolen, been negligent, wasted anything, or done any harm?

"I acknowledged my sin to you, and I did not cover my iniquity; I said, "I will confess my transgressions to the Lord," and you forgave the iniquity of my sin. Psalm 32:5
