

OUR SAVIOR
LUTHERAN SCHOOL

Mrs. Prestwood's Ponderings February 19, 2024

<p style="text-align: center;"><u>Math</u></p> <p>Last week, we learned how to add hundreds together. We also learned how to listen to word problems and find clue words that would help us know how to solve the problem. Next week, we will be exploring algebra as we solve for the unknown in equations involving addition. It may seem like a challenging concept for your scholar, but this will get your scholar on the right mindset for solving different types of problems.</p>	<p style="text-align: center;"><i>Praise the Lord, and let all that is within me, bless His holy name!</i></p> <p style="text-align: center;">https://tinyurl.com/6ctp6mrx</p> <p>Continue praying for and contributing to our Eagle Fund. We have gone above and beyond our first goal; now we push on to the next goal of \$75,000. Help our Eagles soar!</p>	<p style="text-align: center;"><u>Phonics and Literature</u></p> <p>Last week, we learned about the letter "e" as in elephant. We read about things that started with e and ate eggplant and eggs. We also worked on rhyming words and isolating sounds. This week, we will do more of the same, but with the letter "s". At the end of the week, we will read Stone Soup and make some for the class. Please look for the sign up genius as each child will donate an ingredient for our stone soup and bring it by Thursday. Our red word this week is green.</p>
<p style="text-align: center;"><u>Science</u></p> <p>We will take a break from science for a couple of weeks as we begin to explore Texas history. However, we may learn some scientific facts along the way about Texas, such as climate and "state" geography.</p>	<p style="text-align: center;"><i>Please help your scholar memorize weekly to keep within their hearts.</i></p> <p style="text-align: center;">He saved us through the washing of rebirth and renewal by the Holy Spirit.</p> <p style="text-align: center;"><i>"Honor your father and mother" - which is the first commandment with a promise - "That it may go well with you and that you may enjoy long life on the earth." Ephesians 6:2-3</i></p>	<p style="text-align: center;"><u>History</u></p> <p>Last week, we learned about Babylon and early Crete. This week, we will start our Texas history unit as we learn about our state flag and the 6 flags that have flown over Texas.</p> <hr/> <p style="text-align: center;"><i>"Go Texan Day" - February 22nd (Wear your best Western duds!)</i></p>
<p style="text-align: center;"><u>Important Reminders!</u></p> <p><u>Every Wednesday at 9:45</u> - Chapel. All are welcome!</p> <p>OSL Summer Camp is just around the corner. Call the office to register your child for all the exciting things happening this summer!</p> <p style="text-align: center;"><u>Remember to re-enroll your scholar for 2024-25.</u></p> <p>Current students need to re-enroll for the coming year and space is limited!</p>	<p style="text-align: center;"><u>Religious Studies</u></p> <p>Last week, we listened to Jesus's Sermon on the Mount, were in awe that Jesus fed over 5,000 people with just 5 loaves and 2 fish, and learned what it takes to be a good neighbor. This week, we will feel comforted that Jesus is our Good Shepherd, learn a Psalm that teaches us what Jesus does as our Good Shepherd, and be amazed that our Lord could raise his friend from the dead.</p>	<p style="text-align: center;"><u>Look Ahead</u></p> <p style="text-align: center;"><u>Monday, February 19</u> - President's Day (No school)</p> <p style="text-align: center;"><u>Thursday, February 22</u> - "Go Texan Day!" (Wear your favorite Western duds!)</p> <p style="text-align: center;"><u>Tuesday, March 5</u> - Field trip to Stuart Little</p> <p style="text-align: center;"><u>Friday, March 8</u> - Incentive Day! (No school!)</p> <p style="text-align: center;"><u>March 11-15</u> - Spring Break!</p>
