- *Jesus Heals the Man at the Pool*, Lisa Clark
- *Jesus Raises the Widow's Son*, Nicole Dryer

The Tuesday we return from Spring Break, bring an item that **begins with the letter Kk.**

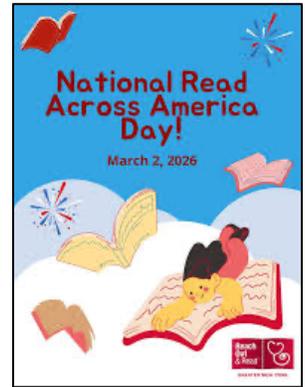

LETTERS & NUMBERS

- Introduced Ee.
- Introduced 13 and 14. We'll go all the way to 20, and then begin reviewing our numbers more closely. Things related to 13: original US colonies; triskaidekaphobia (fear of 13); baker's dozen. Things related to 14: fortnight; maximum number of golf clubs allowed a pro golfer; points on a rose compass; humans have 14 phalanges – toe bones in the foot.

OUTDOOR LEARNING (Tuesdays)

- We didn't exactly have time for Outdoor Learning, although we spent a lot of time outdoors. It was Read Across America Day on Monday, so on Tuesday (when we had a full class), we got to meet with our chapel buddies. The 5th grade kids read to their buddies outside in the grassy area. We also had a Mystery Reader surprise the class – Coach Solis! It was a fun day.

SCIENCE (Thursdays)

- We didn't do a science experiment t since I was out of town on Thursday, but we did get to go to the gym and see all the really cool big kids' science experiments. We'll resume exploding things and making messes the week we return from Spring Break.

Reminders

If you have any questions, please call/email me or the school office.
