

Salvete!

We have had a great week despite our two days off this week. 2nd Graders got to go to 3<sup>rd</sup> Grade for a little while and they really enjoyed it. I am looking forward to the end of the year preparations! We look forward to Eagle Evening Gala coming up just next Friday and our class field trip on the 1st! We are getting close to the end of our book, and we really did very well with our math lessons this week. Please continue working on your child's subtraction facts with them at home. We will be testing over them weekly. We are also looking forward to National Lutheran Schools Week next week. We will be singing in the church service on Sunday. Please arrive at the church between 9 and 9:15 and go to Mr. Armstrong's office at the front right of the church. Church begins at 9:30 and you will see your child best if you sit up in the balcony on the right-hand side. They will be singing from the choir pews.
