

Salvete!

Where did the Fall weather go? I'm trying to encourage it to come back with my boarder, do you think it'll work?? We'll see I guess. Anyways! We had a great week. I'm happy to report that we have moved forward in math and were working on skip counting by 10's. We've also moved on to learning about the human body, The Thirty Years War and wrapped up our Catch Lunch rule! Next week we will begin our study for the suffix ed. This will last two weeks at minimum because it tends to be a harder rule. Please consider donating to our Eagle Fund posted at the bottom of our newsletter! We are much further behind than anticipated. On Reformation Day (Tuesday) students are allowed to wear a graphic free red shirt, and uniform bottoms, join us for chapel at 9:45.
