

Salvete!

We are in the last few weeks of school! Coming up next week, we have the solar eclipse viewing. We have glasses for students and parents who might like to join us in the open campus viewing spot! This is a regular full day of school, but if you plan on taking your scholar home after the eclipse, please be sure to check them out in the office. We also have our field trip coming up on the 12th! We wrapped up *The Courage of Sarah Noble* this week and will begin our new set of books by Beatrix Potter next week. Thanks to everyone for the wonderful celebration we had for the resurrection of our Lord and Savior on Tuesday!
