

Mrs. Prestwood's Ponderings

Third Grade

OUR SAVIOR LUTHERAN SCHOOL

Flying into the Fifteenth Week

This week has flown by as we read 3 chapters in Farmer Boy, continued learning our 3's multiplication facts, and studied Latin until we could study no more! Next week, we will be gearing up for our annual Thanksgiving Feast as we gather as a school family to thank God for the many blessings we so abundantly receive. We will review what we have learned in Latin, continue reading Farmer Boy and looking ahead to a quiz over 11-20 soon after we get back from break. We also are eagerly anticipating our annual spelling bee on Tuesday of next week.

MATH

Last week, we learned how to multiply by 3's and how we use this in the real world. Next week, we will learn how to skip count by 6's. However, we will not take the test over this until we learn how to multiply by 6's after we come back from break.

No test next Friday!

GRAMMAR

Last week, we started learning about pronouns, subject pronouns, and possessive pronouns. We will continue working with possessive pronoun adjectives and throw in conjunctions for good measure. Phew! So many parts of speech to learn!

LATIN

Last week, we finished studying about the verb "sum" and took our test. Next week, we will spend some time reviewing what we have learned up to this point.

Good News!

Everyone passed the test with an 85 or higher!

"Oh sing to the
LORD a new song,
for he has done
marvelous things!
His right hand
and his holy arm
have worked
salvation for him.
Psalm 98:1

- Hallowed be Thy name.

What does this mean?

God's name is certainly holy in itself, but we pray in this petition that it may be kept holy among us also.

"In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."

St. Matthew 5:16
