Our Savior Lutheran Quadrivium

OSL Astronomy Club

WhatsApp group

Please join us for the annual **Science and History Fair** on **Tuesday, March 3** starting at **6:30 pm**. Come to the **gymnasium** to see all of the projects that our scholars have worked hard to complete as well as to visit our Living Wax Museum of historical figures presented by our 3rd grade scholars. We welcome all OSL families and guests to join us!

!! The back gate will be open from 6-7pm to support easier arrival and parking. You may still enter the front gate if you prefer, but please do NOT drive up the back hill to gain access to the cafeteria entrance - please park and walk over. **!!**

SCIENCE / HISTORY FAIR

March 3 6:30 pm

CHAPEL / LENT SERVICES

March 4

8:15 am / 7:00 pm

SPRING PORTRAITS

March 5

6th & 7th Science

This week, scholars are learning properties of semipermeable barriers.

8th Science

Scholars are learning the names and purposes of the earthworm and their similarities to the human body.

Algebra I

Scholars are factoring more complicated polynomials.

Memory Work

If we say we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. 1 John 1:8-9

Confession

What is confession?

Confession has two parts. First, that we confess our sins, and second, that we receive absolution, that is, forgiveness, from the pastor as from God Himself, not doubting, but firmly believing that by it our sins are forgiven before God in heaven.

2026-2027 School Calendar Next School Year!

Thank you for your patience as we worked through some final details on next year's school calendar. Please keep in mind that some small updates can happen, but the main dates are set (i.e. school starting, holidays, and end of year). Prior to the new school year we will provide the most up-to-date version of this calendar.

Substitute Teachers Wanted!

Do you know someone who would like to be a substitute teacher at OSL? We can always use more names on our list. Please email Miss Lunsford if you have a suggestion or to get more information.

guaranteed t-shirt!

HELP! LOST & (needs to be) Found...

Water bottles....sooooo many water bottles! Check the cart in the cafeteria to see if you find one that belongs to you! **Items not claimed by Monday 3/2 will be discarded or donated.**

SCIENCE FAIR NEWS:

The Science Fair is on **March 3** from 6:30 - 8:00. All are welcome. Bring the whole family. Ribbons will be awarded to the top three projects in 7th (and 4th) grades. If you have questions, refer to the Science Fair packet and/or contact me. The projects will be graded by guest judges. The grade for the final project will be included in the 4th quarter grades. Thank you all for your support of our scholars as they learn how to conduct an experiment and report their findings. They will be better prepared for high school and life.
