Week 1: Sept. 2nd - 5th

Pre-School - Kinder: locomotor skills, hand eye coordination

1st Grade: finishing striking/bumping in small groups using balloons, tagging/movement games

2nd Grade: finishing juggling, striking/bumping with a partner using beach balls

Week 2: Sept. 8th - 12th

Pre-School - Kinder: underhand toss, target throwing

1st Grade: striking/bumping with a partner using a beach ball

2nd Grade: volleyball serves/lead up game for volleyball

Week 3: Sept. 15th - 19th

Pre-School - Kinder: striking/bumping a balloon solo and with a partner

1st Grade: volleyball serves/lead up game for volleyball

2nd Grade: overhand throws at targets and partner

Week 4: Sept. 22nd - 26th

Pre-School - 2nd Grade: Fall games (fun activities related to Fall)

3rd - 8th Grade

Scholars will finish off their volleyball units the beginning of September. Logic school students will take a written test over volleyball. They will receive a study guide this week.

After the volleyball unit is over, the 3rd - 8th graders will begin pickleball! They will learn all the different rules of the game. Once they have mastered the rules, each class will play in a huge tournament!

All classes will continue to run their yearly marathon!
