Week 32 – Easter 2 (Quasimodo Geniti)

OUR SAVIOR
LUTHERAN SCHOOL

Kindergarten Families,

Kindergarten's ABC countdown begins on Tuesday! Ask your child what letter themed activity we did when they come home from school! We hope to make the end of kindergarten memorable!

We have a PTL meeting and Smart Families presentation on April 14. Please see the school newsletter to RSVP for the presentation.

No school lunch available for April 17 (Field Day) and April 20 (Field Trip). We will picnic on campus for both. Everyone needs a home lunch. Regular lunch kits and water bottles are fine.

Please visit lost and found if you are missing items. Registration for Summer Camp is open! Please see the school's newsletter if you are interested.

I am putting uniform violations into FACTS. Please ensure shirts are long enough to stay tucked in and pants and skirts/dresses are an appropriate length. If they are too short, it is time to order a size up! Bottoms with belt loops must have a belt. Please ensure your child has chapel shoes on Wednesdays.

Please consider giving to our Eagle Fund using the QR code on the bottom right corner of this newsletter or the link in the school's newsletter!

Thank you,
Mrs. Engel

Lock Words

a, and, black, is, on, the, white, brown, said, see, stop, to, for, go, get, I, like, no, red, her, ouch, want, will, with, yellow, yes, you, bus, in, put, blue, eek, was, look, now, of, down, from, he, out, sun, cannot, has, my, have, help, me, pink, green, bowl, his, they, gave, tail, could, one, she, when, goes, good, we, would, give, some, be, next, so, went, by, or, do, off, there, what, are, take

Parents, using a "**tap, map, write, and read**" routine is a great way to practice our lock words. **Tap:** Tap out how many sounds are in the word. This can be done with fingers or tokens. **Map:** If the word has 3 sounds, draw 3 lines or sound boxes. Then have your child write the letters in the box that correspond with that sound. **Write:** Have your child rewrite the word, making a list of all words practiced. **Read:** Have your child read the list of lock words they just practiced. Talk about word meaning and ask if they can use the word in a sentence!

This process helps facilitate orthographic mapping. Orthographic mapping is the mental process of storing words in long-term memory for instant retrieval! The lock words for the upcoming week is review.

I did a pre-assessment and your scholar's report is in their green folder.
