Week 27 – Lent 2 (Reminiscere)

OUR SAVIOR
LUTHERAN SCHOOL

Kindergarten Families,

Lock word assessments are in Friday Folders. Please practice spelling and reading any words your child missed!

The History and Science Fair is March 3 at 6:30 in the gym! Hope to you see there!

Thanks to all who helped make chili happen today! Check Homeroom for planet party pictures!

Please visit lost and found if you are missing items. Registration for Summer Camp is open! Please see the school's newsletter if you are interested.

I am putting uniform violations into FACTS. Please ensure shirts are long enough to stay tucked in and pants and skirts/dresses are an appropriate length. If they are too short, it is time to order a size up! Bottoms with belt loops must have a belt. Please ensure your child has chapel shoes on Wednesdays.

Please consider giving to our Eagle Fund using the QR code on the bottom right corner of this newsletter or the link in the school's newsletter!

Thank you,
Mrs. Spangler

Lock Words

a, and, black, is, on, the, white, brown, said, see, stop, to, for, go, get, I, like, no, red, her, ouch, want, will, with, yellow, yes, you, bus, in, put, blue, eek, was, look, now, of, down, from, he, out, sun, cannot, has, my, have, help, me, pink, green, bowl, his, they, gave, tail, could, one, she, when, goes, good, we, would, give, **some, be, next**

Parents, using a "**tap, map, write, and read**" routine is a great way to practice our lock words. **Tap:** Tap out how many sounds are in the word. This can be done with fingers or tokens. **Map:** If the word has 3 sounds, draw 3 lines or sound boxes. Then have your child write the letters in the box that correspond with that sound. **Write:** Have your child rewrite the word, making a list of all words practiced. **Read:** Have your child read the list of lock words they just practiced. Talk about word meaning and ask if they can use the word in a sentence!

This process helps facilitate orthographic mapping. Orthographic mapping is the mental process of storing words in long-term memory for instant retrieval!
