Science

6th and 7th grade scholars will continue their unit which focuses on Physics: magnetism and electricity. These groups have already planted their garden and we are excited to watch it grow. We received a fountain donation and are excited to get it working. 8th grade scholars will be focusing on the chemistry behind living organisms including the makeup of DNA. 8th grade will soon be partnering with Planting Science which will focus on the power and wonder of seeds. This will include a competition to see how tall they can grow corn.

Algebra I

Scholars will be learning about graphing numbers and inequalities on a number line. Scholars will also learn how to plot points on

Want to Join OSL?

Would you like a refresher on Lutheran teaching?

Life With God is a study of God's Word and the Lutheran Doctrine.

Class is held Mondays, from 7:00 - 8:30 pm, in the Bible Class Room with a light meal before class at 6:30 pm.

Class will begin Monday, September 8.

Bring a neighbor, a friend, or family!

Annual Scarecrow Contest

This wonderful OSL tradition continues and will be open for entries starting **Sept. 23rd** so start talking to other families now to plan your Scarecrow's theme. Submissions will fall into two separate categories for judging and prizes: Families and Classes. Scarecrows will be judged on criteria including theme (originality, creativity, family friendly, **no scary Halloween themes**), overall display (stuffing, hair, clothing, accessories, etc.) Look for the sign-up genius link in the upcoming newsletters and please contact Nicole Hale with any questions at NHale2015@gmail.com
