Lock Words

a, and, black, is, on, the, white, brown, said, see, stop, to, for, go, get, I, like, no, red, her, ouch, want, will, with, yellow, yes, you, bus, in, put, blue, eek, was, look, now, of, down, from, he, out, sun, cannot, has, my, have, help, me, pink, green, bowl, his, they, gave, tail, could, one, she, when, goes, good, we, would, give, some, be, next, so, went, by, or, do, off, there, what, are, take

Parents, using a "**tap, map, write, and read**" routine is a great way to practice our lock words. **Tap:** Tap out how many sounds are in the word. This can be done with fingers or tokens. **Map:** If the word has 3 sounds, draw 3 lines or sound boxes. Then have your child write the letters in the box that correspond with that sound. **Write:** Have your child rewrite the word, making a list of all words practiced. **Read:** Have your child read the list of lock words they just practiced. Talk about word meaning and ask if they can use the word in a sentence!

This process helps facilitate orthographic mapping. Orthographic mapping is the mental process of storing words in long-term memory for instant retrieval!
