ALL PLANS SUBJECT TO CHANGE

This Week-Sports

WAY TO GO EAGLES!! HAVE A GREAT SUMMER
 AND WE'LL BE ROOTING FOR YOU NEXT YEAR!

MOORE NEWS

Here we are-WE MADE IT! The end of another school year and the end of an era-Grammar School. NEXT STEP-Logic School!

Be sure to stay ready for this next step in the educational process by reading (we have a SUMMER READING CHALLENGE), practicing Latin Vocabulary (that's why we made all of the cards), AND practicing Multiplication skills (VERY NECESSARY for upper levels of Math).

Summer practice of Multiplication facts is necessary for scholar mastery. They will USE multiplication throughout the coming years in Math AND MATH WILL REQUIRE A SOLID, WORKING KNOWLEDGE OF MULTPLICATION so this needs to be automatic. WITHOUT A SOLID, WORKING KNOWLEDGE OF MULTIPLICATION, math assignments will take much longer than necessary to complete.

Summer practice of Latin is necessary since learning a new language takes constant practice as well. Try going through the vocabulary cards at least 1 TIME A WEEK. AGAIN, without the solid, working knowledge of LATIN, future time spent on assignments will be unnecessarily long.

READING over the summer is also essential to continue learning and knowledge. Be sure to take advantage of our NEW AND IMPROVED SUMMER READING CHALLENGE being offered (and has already begun!). DETAILS ARE IN THE SCHOOL NEWSLETTER!! This is a great way to keep reading and writing skills strong and even improve them!

THANKS FOR A GREAT YEAR! I can't wait to see the magnificent strides these scholars make in the future and how they add to our OSL community as they grow throughout Logic School.

SCHOOL REMINDERS

Library Books/Fines, Sports Uniforms, Lost & Found, Personal Medication? Do you have everything or have you paid everything? Check the checklist in the school newsletter to be sure you are ready for summer.

The Need for Speed should NOT be used through the neighborhood by the back gate. Please be good examples of Love and Respect as you and your scholars come in through the back gate during our construction time. We thank you, as we thank them, for your patience and attention during our building process.

Say it isn't so!! The DEADLINE for ordering School supplies for the 2026-2027 School Year is THIS TUESDAY! See the School Newsletter for the code and link. Do this NOW so that in August, it is one less back-to-school chore that needs attention!

SUMMER IS A GREAT Time to update the UNIFORMS!!! As our scholars have grown, SO MUST their uniforms. See the HANDBOOK for specifics to check!

START THE NEW YEAR WITH NEW SCHOOL CLOTHES!! I've noticed MANY SCHOLARS with apparel NEEDING TO BE REPLACED, either because the size is no longer appropriate OR because it has rips, missing buttons, are lost (like belts & shoes), and the like!

YOU ARE IN LUCK!! FLYNN O'HARA is having a SPECIAL UNIFORM SHOPPING EVENT ON Monday, June 29 from 10:30-3:00!! I know this sounds early BUT it ensures that YOUR CHILD will be ready to start LOGIC SCHOOL LOOKING GREAT in uniforms the right size for them. SEE THE SCHOOL NEWSLETTER FOR MORE DETAILS!!

Additionally, when buying back-to-school tennis shoes be sure they are SOLID white, SOLID black or ONLY WHITE AND BLACK. No other colors, including green or iridescent.

THE NEW BUILDING needs furnishings, too, and THIS CLASS will be some of the first to use it! THANK YOU TO PTL AND THE GENEROUS GUESTS AT THIS YEAR'S EAGLE EVENING! While the proceeds from the Gala will help offset this cost, there will still be some needs which need to be met. Ask how you can help!

MISSED PLEDGE DAY? It is not too late to pledge! See the School Newsletter for the link that is still available. Be a part of the future here at OSL!

PTL IS STILL LOOKING FOR

VOLUNTEERS! See the School Newsletter for the link to their website and check out the options available and which one fits your skill set! Everyone is needed and can help in some way!

Smart Families

We invite all families to adopt four shared norms /to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

IN CASE YOU MISSED OUT ON ANY OF THE SMART FAMILIES PRESENTATIONS, which include a variety of subjects, not just phone use, SUMMER is a GREAT TIME to get caught up on missed episodes or just refresh our memories. Just go to the school newsletter and access the archived versions. Listening to each of them will be well worth your time and help you become more informed parents--we all would like guidance in this important calling! THIS INFORMATION IS EXTREMELY VALUABLE AS YOU & YOUR CHILD ENTER THIS NEW PHASE OF LIFE!

Waiting for a scholar in after school activities to finish or just enjoying the beautiful weather by playing on our campus? PLEASE have your child(ren) refrain from moving the landscaping rocks! These rocks have a purpose where they are and need to stay in place for everyone's safety. **THANK YOU FOR YOUR ASSISTANCE in supervising your child!** And of course, enjoy our beautiful campus safely and in accordance with school guidelines!

SUMMER!!!

Our own OSL Summer Day Camp has been open for Registration AND IS FILLING QUICKLY AND SOME ARE FILLED! Weekly Session Themes, running June 1- July 24, are posted! Check out the options through the FACTS Family Portal and more details/instructions in the School Newsletter. DON'T LET YOUR SCHOLAR MISS OUT ON THE FUN!

Don't forget the 1 WEEK ONLY (June 22-26) DRAMA CAMP provided at OSL by the AD PLAYERS.

LEGO ROBOTICS CAMP HAS BEEN ADDED TO THE SUMMER OFFERINGS!!

[See School Newsletter for Dates and Registration Information/Link](#)

REMEMBER TO CHECK THE PROVIDED 2026-2027 OSL SCHOOL CALENDAR FOR IMPORTANT DATES when scheduling your family's summer, and other, vacations. These dates are valuable for your scholar's academic success! Missing school days hinders academic progress. THE SCHOOL NEWSLETTER HAS THE LINK.
