

OUR SAVIOR
LUTHERAN SCHOOL

1st Grade Weekly News

I pray you had a wonderful 4-day weekend! We still got a lot of learning in for just a 3-day week! Here are some questions to discuss with your first grader based on what we are learning next week:

- What is a contraction? (two small words put together)
 - What are the normal rules of a contraction (keep the first word the same, take out the vowel and everything before it in the second word, write an apostrophe and whatever is left!)
- Who is our Good Shepherd? (Jesus!) How is he our Good Shepherd? (takes care of us, protects us, lays down his life for us)
- What is subtraction? (taking away) How can we check our subtracting (adding “up!”)

Joyfully in Christ,
Elizabeth Robison
