

## 4<sup>th</sup> Grade Weekly Notes

Mrs. Kleb

January 5, 2024

Greetings,

Welcome back from the Christmas break! Hope everyone had a relaxing break. I just want to thank everyone for the generous Christmas gift.

The science fair packets went home before the Christmas break. They are in blue folders. There is a schedule of the due dates in the pocket of the folder. Please take the time to read through the schedule and the packet with your child. The first part, the question, was due Friday, January 5. I had already sent the question instructions a week before the whole packet went out. The next thing to do is some research part 1. It is due Friday, January 12.

Packets went home before Christmas for Eagle Evening. It is on Friday, January 26. For those of you who do not know, this is the yearly fund raiser the PTL holds to raise funds to help improve OSL. It will be a fun night.

**Reading-** We will start reading The Lion, the Witch and the Wardrobe.

**English-** We will be learning how to write a persuasive paragraph for the next couple of weeks. The students will also be learning about fact and opinion and types of advertising.

**Math-** We will be learning how to find the area of a trapezoid. There will be a test on Friday, January 12.

**Latin-** We reviewed this week and made a study sheet to help the children keep track of all the endings for Latin. We will be beginning Lesson 10 on future perfect tense next week. This is a pretty long chapter, so the test will not be until Friday, January 19.

**Science-** The science fair projects have begun. The some research part 1 is due Friday, January 12. The scholars should write their notes for some research part 1 on the blank sheet in the notebook section of their blue folders. Next week, we will begin our study of the winter night sky.

**History-** Women of the Renaissance is the next topic.

**Religion-** We will read about Jesus saving Lazarus, helping Zacchaeus, and restoring a man's sight.
