Third Grade

OUR SAVIOR LUTHERAN SCHOOL

Exciting Eighteenth Week!

Christmas means the celebration of the birth of our Savior for the world. But in school, it also means the end of the semester and witnessing the immense growth the third graders have made. While we are looking forward excitedly to family gatherings, church services, and presents, we are also buckling down for the last push before the break. Please remember in all the busy-ness that happens, the true joy of the season comes in a Savior laid in a manger for you and me!

MATH

Last week, we skip counted by 4's and learned that 4 quarts are in a gallon. Next week, we will review multiplication facts that we have already learned and use them to play games and figure out puzzles that celebrate Christmas!

NO TEST THIS WEEK!

GRAMMAR

Last week, we took our test over pronouns and nouns. While we will not have a formal test this week, we will continue to review where needed, just to make sure we don't lose that knowledge over the break..

Retake Test on 12/16!

LATIN

Last week, we continued studying the second declension of nouns and took a test. Next week, we will review what we have learned through different activities and games. Latin is a subject that builds on itself!

No test this week!

"Oh sing to the
LORD a new song,
for he has done
marvelous things!
His right hand
and his holy arm
have worked
salvation for him.
Psalm 98:1

Looking for a home church? Join us on Sunday at **Our Savior Lutheran Church!**
Bible class - 8:15

Church - 9:30

Sunday School for all ages - after church

HISTORY

Last week, we learned about Islam, but we did not get to Al-Andulus in the Medieval ages in Spain, so next week, we will study Al-Andulus, Boniface, and the Iconoclast Controversy. **We will also have a 4 regions test on Thursday.**

SCIENCE

Last week, we did not have science due to testing and Christmas program practice. Next week, we will finish studying Galen by conducting an experiment about the nervous system.

Important Reminders

- **Grammar Test retake - Tue., Dec. 16; Math Unit test - Tue., Dec. 16 (review); 4 Regions Test in geography - Thurs., Dec. 18**
- **Congratulations to Knox who stayed in the spelling bee long after many of the older kids were eliminated! He went up against 5-8 graders**

Learn By Heart, Week 18, Advent 3

Give us this day our daily bread. **What does this mean?** God certainly gives daily bread to everyone without our prayers, even to all evil people, but we pray in this petition that God would lead us to realize this and to receive our daily bread with thanksgiving. **What is meant by daily bread?** Daily bread means everything that has to do with the support and needs of the body, such as food, drink, clothing, shoes, house, home, land, animals, money, goods, a devout husband or wife, devout children, devout workers, devout and faithful rulers, good government, good weather, peace, health, self-control, good reputation, good friends, faithful neighbors, and the like.

- *"The eyes of all look to you, and you give them their food in due season. You open your hand; you satisfy the desire of every living thing."*
Psalm 145:15-16
