

News for Kindergarten

January 15, 2026

Epiphany 2

Dear Parents,

Our 100 Days is fast approaching. Each scholar needs a poster with 100 items on it. Please pick something that is meaningful to the scholar. Parents may help, but most of the work should be done by the scholar. The scholars will present the posters on Tues., Jan. 27, at 2:00. Parents are invited! **Please send posters to school Monday (Jan. 26).**

For Valentines Day all the scholars are asked to bring 17 signed valentines on February 13. Just sign them. Please DO NOT address them!

There is no school Monday. See everyone Tuesday.

Be sure to read the school newsletter for important information. The last week in January is National Lutheran Schools week, and it has dress up days that are listed in the school newsletter. The Father Daughter dance is Jan. 24. The girls love it! Feb. 7 is Eagle Evening. Get your tickets now. It is a very fun evening.

Kindergarten is singing in church on Feb. 1.

Jan. 21: Class Group Photos - must wear chapel uniform

Smart Families Online Learning Event

Jan. 22: Tony's Spirit Night

Jan. 24: Father Daughter Dance 1/24

Jan 26-31: National Lutheran Schools Week (see the school newsletter for details)

Feb. 1: Kindergarten sings in church

Feb. 6: Eagle Evening

Feb 13: 1:00pm dismissal (no extended care!)

Feb. 16, 17: February Winter Break / no school

This week:

Religion: Jesus is baptized by John the Baptist. Baptism is a great blessing and gift from God. We went to church and Pastor Cholak explained baptism to the scholars. The children would love to hear about and see pictures of their own baptisms.

Math: We worked on adding 1, doubles 2,3,4, and 5.

Language Arts: letter r

Lock words: cannot, sun, out

Literature: We finished The Secret of the Scrolls: a King is Born, Rooster's off to See the World, Little Red Riding Hood, Little Red, Rumpelstiltskin, Fire of the Jaguar: a Tale from South America, The First Starry Night

Science: Mercury is the smallest and fastest planet. It is very heavy and hard. Venus is the hottest and brightest planet. Take some time to look for it in the evening. It is called the evening and morning star (but it is not a star).

Geography: Animals in South America: Jaguar, toucan, llama, sloth, flamingo

Art: Starry night by Vincent Van Gogh.

Next Week:

Religion: Jesus begins his ministry.

Memory: week 21

Our Father, who art in heaven, hallowed be Thy name. Thy kingdom come.
Thy will be done on earth as it is in heaven. Give us this day our daily bread.
And forgive us our trespasses as we forgive those who trespass against us.
And lead us not into temptation. But deliver us from evil.
