

News for Kindergarten

Trinity 12

September 5, 2025

Dear Parents,

Next week we are on the letter a. A says /a/ like apple. On Friday we will make applesauce in the crockpot. Please send 1 peeled, cored, and cut up(diced) apple on Friday.

We started going to library this week. We will go every Friday. Books should be returned every week. A new book cannot be checked out until the book is returned and all late fines are paid. Books are technically not late until 2 weeks after checked out. A fine of 5 cents a day doesn't start until the 2 week mark.

The scholars met their chapel buddies this week. We sit in families in our houses when we go to chapel.

I recommend large leak-proof water bottles with lots of ice.

This week:

Religion: Abraham and Sarah have Isaac, and Isaac and Rebekah

Math: counting 0-9 objects, and writing 8 and 9

Phonics: O says /o/ as in olive. We practice letters and sounds daily. We made an octopus o.

Literature: Over the Moon, Inky the Octopus, If You Were an Octopus, Hop on Pop, Ox-Cart Man, Winnie the Pooh

History: Asia : Asia is the largest continent. It is very diverse in animals, climate, landforms, and languages. We watched an informative slide show overview about Asia. We colored Asia on our world map.

Science: Day 1 of creation/light: We can see because of light. Light reflects. Light travels in a straight light. We had fun playing with light using flashlights and mirrors.

Art: We looked at Still life of Apples by Van Gogh and then drew apples in a bowl with circles.

Next week:

Religion: Jacob and Esau

Memory : week 5

7th commandment: You shall not steal.

8th commandment: You shall not bear false witness against your neighbor.

Math: counting 0-9, rectangles, patterns

Phonics: A says /a/ like in apple.

Lock words: review: a, and, black, on, is, the

Science: rainbows and white light

Geography: Asia's landforms

In His Service,

Debbie Armstrong
