Monday-Thursday- Memory for the week.

Monday-Thursday-Students should be bringing home planner, green folder and work to be completed.

I hope this helps clarify! Please ask questions if you have one. It may be something I haven't thought of.

Grades-If a paper is corrected and it has 12/12 written on the top, this work has been recorded as a grade. Many students are not writing their names on their papers, so they have a zero, even though they may have turned in the work. (sad)

Classroom News- Library will be on Monday, students will be checking out a book. They are excited to be able to check out books again. Gabriel the Comfort Dog made a visit this afternoon. Pastor Engel shared what a Comfort dog is and does in his work in Houston. I hope they he becomes a monthly visitor for students.

Discipline concerns will now be posted in Facts. You will receive an email with the infractions and the consequences. Please contact me with questions.
