

## Mrs. Prestwood's Ponderings Third Grade

### I Thank God For My Remembrance of You

This year has brought with it so many blessings, whether it was in music, math, religion, literature, or Latin. What a blessing it was to see the scholars grow and learn in both their academics and their social lives. The look on a student's face when he or she encountered the "Aha!" moment was priceless. The student who comments, "Well, that was easier than I thought" was a treasure as well. As the apostle Paul always gives thanks for his churches to whom he preached, so I give thanks to God for the students who I have been blessed with this year. As we head to new grades, new schools, or even new cities, remember to keep each other in your hearts because you are all bonded together through Christ! I love each and every one of you!

#### MATH

**Last week, we studied different conversions that we use in everyday life. We took our last unit test and achieved our goal of an ice cream party next Tuesday! Next week, we will take our final and celebrate our math achievements!**

**Test on Monday, May 18.**

#### GRAMMAR

Last week, we finished grammar and took our final test to see how we progressed this year. The children have learned so much this year and I'm very proud of them!

#### LATIN

Last week, we reviewed our previous chapters and touched a little on 3rd declension nouns. As we end the year, I want to wish a loud "Laudate!" To all my scholars!

**"Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him. Psalm 98:1**

## HISTORY

Last week, we ended our year by learning about Joan of Arc and the Ottoman Empire taking over Constantinople. We also touched on the Pacific states in Geography. We are ending this year on a high note!

## SCIENCE

Last week, we used our science time to catch up in other subjects such as literature so we could finish the book, Charlotte's Web. While it was a wonderful book, we ended with quite a few sniffles.

### Learn By Heart, Week 37

#### Memory Work

*"Oh, sing to the LORD a new song,  
For he has done marvelous things!*

*His right hand and his holy arm*

*Have worked salvation for him."*

*Psalm 98:1*

### Ice Cream, You Scream!

The students are counting down the days until our ice cream party! 15 students in our class have met the goal of receiving a 10 on their multiplication tables tests! Therefore, we will have our ice cream party on Tuesday afternoon for our wonderfully smart scholars! Sprinkles and sauce will also be provided. Yay for all you smarties!@
