School newsletter

MOORE NEWS

I can't believe we are already at Labor Day!
Have a safe and enjoyable Weekend.

This is a great time to be sure your scholar is
completely in compliance with our school dress
code (belts, shoes, socks, etc.). See the link to
Flynn O'Hara to see pictures and descriptions.

Nightly practice of Latin Vocabulary and
Multiplication facts is necessary for scholar
mastery of each subject. We USE multiplication

throughout our year in Math, so this needs to be automatic.

I hope your child is enjoying our first novel of the year. As we are learning about some forms of Humor, much of it is quite funny! Ask them about it.

NOTES FROM YOUR PTL

Join the PTL Volunteer list!

New volunteer opportunities are always coming up, and we are always looking for additional hands. If you would like to join the master volunteer list to stay up on new and immediate volunteer needs, [clickhere](#) to visit our website & scroll down to enter your information.

Purchase a Birthday Marquee Display!

NEW this year, **September 15th** will be the last day to place an order for a birthday or half birthday marquee display during the fall semester. Sales will reopen in January to place orders for the spring semester. Purchase on our [website](#) today!

Put September 23 on your calendar for the year's first meeting. More information to come.

SCHOOL REMINDERS

Exciting Partnership with Smart Families

At Our Savior Lutheran School, we are committed to creating a safe, focused, and engaging learning environment for our Eagles. This year, we are excited to partner with Smart Families, an organization that helps parents understand the impact of technology and provides tools to support healthy habits at home. OSL has long operated as a technology-free campus to encourage meaningful engagement in our Classical Lutheran

curriculum, and this partnership helps families understand the science behind these intentional choices.

We invite all families to adopt four shared norms to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day. We also encourage parents to attend the Smart Families Parent Talk on **TUESDAY, September 2 at 9:00 AM or 7:00 PM**. Please use the link provided in the school newsletter to RSVP.

While registering for the Smart Families informational, sign up for the next instructional session on September 15th (9 am, noon, 7pm) titled "Beyond Balance: The Hidden Sense Behind Learning."

Back to School - Get the OSL App!

Plan to Use this App All Year

In addition to Back to School you can use the OSL App to find many important pieces of information! The **Absence Form** is available on the app and is the BEST way to communicate when your child will miss school, to note doctor appointments and upload dr. notes, or to share other details related to being late or leaving early! AND if you have to reschedule a missed lunch due to an absence you can note it there, too!

Stay Connected: Join Your Grade-Level WhatsApp Group!

Eagles, have you joined your WhatsApp Grade Group yet? If not, now's the time! These groups are a great way to connect with other OSL families who have children in the same grades. Whether you're looking to share resources, coordinate playdates, or just stay in the loop, these groups help strengthen the community we all value so much.

To join, simply click the link to access the **OSL Community WhatsApp Group**. From there, you'll be able to request access to the specific grade-level groups for each of your children. These are private groups, so approval is required.

This is just one more way OSL is committed to building a strong, supportive community for our families!

Traffic Flow:

- DRIVE SLOWLY ON CAMPUS!
- Follow the signs on campus (same procedure as last year). All traffic for morning arrival and afternoon dismissal will be **one-way**.
- ECE through Gr.2 traffic will stay in the right-hand lane and proceed to the ECE building (Carline 2).
- Grades 3-8 will stay in the left hand lane and proceed to the drop-off area following the cones (Carline 1).

!! When you exit campus during high traffic arrival and dismissal hours, you must TURN RIGHT on Tidwell and use the U turn, if needed. This will allow traffic to flow much more quickly as we leave campus. !!

Morning Arrival & Afternoon Dismissal

MORNING:

- **! Drop off may begin at 7:35am - once a staff member is present!**
- Drop Off ONLY in the carline areas. Please DO NOT pull up to the classroom building or portables. This will help to keep everyone safe and to keep traffic flowing smoothly on campus in the morning.
- Help to keep the line moving efficiently by having backpacks, lunches, and water bottles close by for a quick exit from the car!

AFTERNOON:

- Use assigned carlines as printed on green or pink car sign or as listed in Pikmykid.
- Parents should remain in cars and allow staff to support loading.
- Carline must be used - no walkups as this creates a safety issue.
- We ask that parents pull around to the church parking area to finish buckling children in car seats in order to keep lines moving efficiently.
- Once carline is finished (and the time is after 3:30pm) all remaining scholars are moved to Extended Care. **Pick up for Extended Care is at the Early Childhood Center.**
