## Mrs. Prestwood's Ponderings February 12, 2024

<p style="text-align: center;"><b><u>Math</u></b></p> <p>Last week, we cemented our knowledge of counting by 10s, writing the numbers 10-100 by 10s, and counting groups of 10s to find the final amount. This week, we will expand our knowledge to counting by 100s. We will add 100s together, remembering the adage, "You can only combine if they're the same kind". Our math skills are growing by leaps and bounds!</p>	<p style="text-align: center;"><b><i>Praise the Lord, and let all that is within me, bless His holy name!</i></b></p> <p style="text-align: center;"><a href="https://tinyurl.com/6ctp6mrx">https://tinyurl.com/6ctp6mrx</a></p> <p>Continue praying for and contributing to our Eagle Fund. We will learn about elephants and read different short stories with the /eh/ sound in them. Our red words for this week are have, help, me, and pink. Bring something that shows "love" for show and tell.</p>

We can't wait to display our projects!</p>	<p style="text-align: center;"><b><i>Please help your scholar memorize weekly to keep within their hearts.</i></b></p> <p style="text-align: center;"><b>Whoever believes and is baptized will be saved; whoever does not believe will be condemned.</b></p> <p style="text-align: center;"><i>Children, obey your parents in the LORD, for this is right.</i> Ephesians 6:1</p>	<p style="text-align: center;"><b><u>History</u></b></p> <p>Last week, we learned about the Phoenicians and the Assyrians.
