

Week 35 Easter 5 (Cantate)

Greetings 2nd grade family!

This week your scholar began planning and writing a persuasive essay. Their goal is to persuade Ms. Wagner-Main on which class pet to get. They might even try to convince you, too! Beware! 😊

We finished reading A Tale of Johnny-Town Mouse, wrapping up our literary unit on Beatrix Potter. Out of the four tales we read the class enjoyed A Tale of Tom Kitten the best! Next week, we will start Brambly Hedge by Jill Barklem. This is a new book that we are trying out, so scholars will not have a hard copy of their own. I hope they will enjoy it as much as I do!

We continued with subtraction with regrouping (borrowing) and began subtracting money. We will continue with money through next week, testing on Wednesday. Please also expect math homework to come home a few times next week, as extra practice is needed! Let me know if you have any questions on how we are working through these problems, and I will happily show you.

For reading we continued working on Schwa sounds as well as vowel team ay, cry baby rule, and -ee endings.

In history we have been studying the interesting history of Babylonia, and its kings and rulers. The scholars have been very invested in this unit and have connected several beloved Bible stories to the actual historical events.

is getting HOT!!!! Please make sure to send your scholar to school with a water bottle. The mansions are far away from the water fountains, and it is not ideal for scholars to leave in the middle of the lessons to go get water. We fill up water bottles twice a day.

Summer camp registration is now open for enrollment!

School Supply Ordering Now Available!

Please read the parent newsletter from OSL so you don't miss any important information or exciting opportunities! If you have any questions, I am happy to answer them, or you can direct them to the OSL 2nd grade WhatsApp!

Yours in Christ,

Gillian Wagner-Main

Memory for the week of May 3:

How can bodily eating and drinking do such things?

Certainly not just eating and drinking do these things, but the words written here: "Given and shed for you for the forgiveness of sins." These words, along with the bodily eating and drinking, are the main things in the Scarament. Whoever believes these words has exactly what they say: "forgiveness of sins."
