

LITERATUS LINGUA

MRS. WEIDER

Grammar/ Literature

This week scholars will continue Chapter 6 in the Shurley English curriculum. Pronouns can serve many functions in a sentence- including serving as adjectives!

In literature, we will complete the Julius Caesar play. We will take a final quiz over Act 4 and 5, and we will begin the persuasive essay connected with a chosen topic from the play. Though we will all consider the same topic (the class will decide upon the topic), each student will have the opportunity to build a persuasive case of their own.

Eagle Fund

Thank you to all the donors who have graciously given to the Eagle Fund campaign over these last weeks. We have seen great generosity from the community, and we give thanks for God's continued provision!

If you haven't had the opportunity to give yet, please consider donating to the Eagle Fund. We have a very ambitious goal of \$100,000 and we are sooooo close to meeting that goal. All the scholars (and some teachers I know, too!) would love the extra day of break that comes with meeting this goal! See the School Newsletter for the link to donate.
