

4th Grade Weekly Notes

Mrs. Kleb

January 19, 2024

Greetings,

The science fair projects are moving along. The some research part 2 was due today, but I will except it on Monday without a penalty due to the short week. If your child got their research part 2 handed in on Friday, they will receive extra credit toward their project. The next thing, Hypothesis, is due Tuesday, January 23. Remember, I take off one point for each day the different steps are late. There is a schedule in their folders and in the email I sent before Christmas.

Re-enrolment began January 1. The registration fee for January is \$600.

Eagle Evening is on Friday, January 26. For those of you who do not know, this is the yearly fund raiser the PTL holds to raise funds to help improve OSL. It will be a fun night.

Summer camp enrollment is for up to 4th grade. Sign up should start on January 15.

I am sure it is no secret that we have been holding an annual Eagle fund. We are excited that many families have participated in this year's campaign. Our goal is \$50,000, and our desire is to have 100% participation at whichever level makes sense for our community's families. When an entire class donates to the Eagle Fund, the class will receive a free dress day. We have only had one family from our class participate, but even if each family just donates \$10, we will be able to get our free dress day! When the school reaches \$50,000, we will not have school on March 8, 2023. We have raised \$40,000 so far. We are so close to our goal of getting an extra day off. We invite you to join us in helping us reach our margin of excellence at Our Savior Lutheran School!
