Unit II Test: 3/27

Labs:

6th/7th
Speed: 3/24
Average Speed: 3/25
8th
External Fish 3/26
Internal Fish 3/27

Memory Work

I acknowledge my sin to you, and I did not cover my iniquity; I said, "I will confess my transgressions to the Lord," and you forgave the iniquity of my sin. Psalm 32:5

Confession

Which are these?

Consider your place in life according to the Ten Commandments: Are you a father, mothers, son, daughter, husband, wife, or worker? Have you been disobedient, unfaithful, or lazy? Have you been hot-tempered, rude, or quarrelsome? Have you hurt someone by your words or deeds? Have you stolen, been negligent, wasted anything, or done any harm?

Astronomy Club

We are going to the George Observatory. If you have not already joined the WhatsApp for the Astronomy Club, use the QR code and join now. In the app, there is a survey that includes the dates and cost to join us. Events are selling out quickly. If you are having trouble with the app, please reach out to me through email.

SCIENCE EXTRA CREDIT:

Sir Isaac Newton is famous for explaining the three basic laws of motion. Define the three Laws and given one real-world example of that law.
