

Mrs. Prestwood's Ponderings Third Grade

OUR SAVIOR LUTHERAN SCHOOL

Terrific in Week 10!

I can't believe we have already come to the end of the first quarter! Your children have learned so much and I have seen a good bit of progress in them already. Third grade is a challenge, for sure, but your children have risen to the occasion. While we still have more learning to do, I am confident that the children will be terrific in all they do, academically, socially, and spiritually.

MATH

Last week, we learned how to solve for the unknown on Monday and then practice this skill throughout the week. We will continue practicing this skill next week as we have three days of school.

We will have a math test over chapter 8 on Friday, October 17th.

GRAMMAR

Last week, we continued to learn about prepositions and nouns that have a job as an object of a preposition.

Next week, we will continue learning about prepositional phrases and how to identify them in a sentence.

LATIN

For the last 2 weeks,, we learned about the case names of nouns and their endings.

Because this was a challenging concept, the s solars will have a chance to retake the test on **Tuesday, October 14.**

"Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him. Psalm 98:1

- ▶ And in Jesus Christ, His only Son, our Lord, who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried. He descended into hell. The third day He rose again from the dead. He ascended into heaven and sits at the right hand of God, the Father Almighty. From thence He will come to judge the living and the dead.
- ▶ *"But when the fullness of time had come, God sent forth his Son, born of a woman, born under the Law, to redeem those who are under the laws that we may receive adoption as sons."* Galatians 4:4-5
