Third Grade

What Have You Given Up for Lent?

This is a common question heard at this time of the year, with common responses being chocolate, coffee, sweets (none of which I can fathom!) But why do we give things up for Lent? Is it to prove something to yourself or to others? Do others even know what you are giving up? No, whatever you choose to forego for Lent is between you and God, not to highlight your own good works.

Discipline yourself to run this race and press on towards the upwards goal. Practice self-control so that you may focus on Jesus and what He did for you so you will finish the race strong!

Last week, we finished working with conjunctions and types of sentences. Next week, we will learn helping verbs and linking verbs.

LATIN

Last week, we reviewed chapters 6-10 and took a break from learning new words. Next week, we will be learning about adjectives and how they have the same endings as the nouns they modify. Keep studying those words 5 minutes daily - your Latin will improve!

“Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him.

Learn By Heart, Week 26,

- **Memory Work: What does such baptizing with water indicate?** It indicates that the Old Adam in us should by daily contrition and repentance be drowned and die with all sins and evil desires, and that a new man should daily emerge and arise to live before God in righteousness and purity forever. **Where is this written?** St. Paul writes in Romans chapter six: We were therefore buried with Him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.

"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come." 2 Corinthians 5:17

Please make sure you are checking your child's planner and signing it daily. This is the best way to communicate with your child about his or her school day and important assignments!
