FEATHERS NEEDED WHY??

This year we want to give our 5th graders some hands-on time in the Science Lab. Our first activity will be using a microscope to look at the intricacies God placed in the structure of a feather. Please use the baggie provided for the feather, as large feathers will not fit under the microscope. Please feel free to use tweezers or any other instrument to pick them up and then seal the feathers in the baggie. We will leave them sealed until our lab day, which looks like it will be after Labor Day. CRAFT FEATHERS WILL NOT WORK FOR THIS

Please bring your feathers in by THURSDAY!

Uniforms:

What to do with the uniforms that have been outgrown?

If they are still in GOOD condition, why not donate them to the Resale Shop here at OSL? Just ask the office how to make that donation.

Check out the Resale shop for replacements or order new ones from Flynn O'Hara (click on the link in the School Newsletter for locations and ordering information).

Also, be sure to check out the Hair, Skirt Length and Footwear Policy when buying new shoes and scheduling those back-to-school hair appointments. There are a few new details which have been added/clarified.

Scholars don't like to find out they are out of dress code, so be sure your scholar is appropriately dressed and groomed.

New in Music

With the arrival of our new band director, Mr. James DeMetropolis, came the new opportunity to create an OSL Orchestra. What's it all about? Check out the School Newsletter for answers to your questions!

Back to School Tab

Be sure to explore this VERY VALUABLE resource for all things OSL SCHOOL! It contains many resources for a successful year for you and your scholar all in ONE PLACE!

Chapel Offerings

While not mandatory, they are a wonderful way to instill the character trait of generosity. We give back to God out of blessings He has given to us.

This year our Chapel Offerings will be added to the school's Angel Fund, which supports families in within our school community who need assistance.

Thank you for considering sending an offering with your scholar. You may send it at any time and we will be sure to take it to Chapel on Wednesday.

OSL Community

OSL is a proud supporter of the Pro-Life Community and supports the Blue Blossom Pregnancy Center sponsored by the Houston Coalition for Life in many ways. SEPTEMBER 14 is an important day because YOU can be part of the OSL Life Team at the Run/Walk for Life being held at St. Theresa Catholic Church from 8 am-11 am.

USE THE SCHOOL NEWSLETTER LINK to register!

I'm looking forward to an amazing week with your scholar! Please don't hesitate to reach out with any questions!
In Christ's Love,
Miss Straube
