

Week 6

Trinity 13

This week our class really dug in to rounding to the nearest tenth place. This has been a challenging unit, and I have decided to push our test to Wednesday to spend some more time on this concept. We have begun classifying sentences in English. I have sent everyone a Shurley English e-book to help with practicing this skill at home. We had our first visit to the library, and will return on Tuesday, September 23rd. Please make sure your scholar comes to school with their book so that they may check out a new one, and avoid a late fee! Library volunteers are welcome and appreciated! This week I will begin reading, *The Wild Robot*, by Peter Brown for our read a-loud.

Reminders:

Please make sure to send your scholar with a snack and their water bottle. Hungry tummies make learning hard!

Please read the parent newsletter for important information and upcoming events.

Please have your scholars literature book, green folder, and planner return to school with them daily. They will need these in class.

What We Are Learning This Week:

| | |
|------------------------|---|
| Shurley English | Complete Subject and Complete Predicate; Vocabulary word: audience; synonym and antonym pairs |
