## Week 8 - Trinity 15

### Science

6th and 7th grade will be learning about the shape of magnetic fields and unique benefits we have discovered about magnetic fields created by electricity. 8th grade will continue their lesson on the Wonder of Seeds, partnering with the mentor from Planting Science. 8th grade will also take a deeper look at DNA. 8th grade will begin the review for chapter 5 on Friday, October 3.

### Algebra I

Scholars will begin to graph equations of lines from real world problems. The timed quiz for adding with regrouping is Thursday. Lesson 6 Test is Friday, October 3.

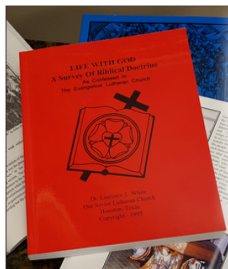

**Save the Date - RSVP Guests**  
**Grandparents'/VIP Day - Friday, October 10**

## We're Listening: Parent Pulse is Here!

### Planners:

Parents, please check your child's planner to see what they have been doing in class. We are working on helping them become more organized so there is less worry about homework and missing grades.

**Want to Join OSL?**  
Would you like a refresher on Lutheran teaching?

Life With God is a study of God's Word and the Lutheran Doctrine.

Class is held Mondays, from 7:00 - 8:30 pm, in the Bible Class Room with a light meal before class at 6:30 pm. Class will begin Monday, September 8. Bring a neighbor, a friend, or family!

### FAMILY LEAD ONLINE TALKS

Gain practical knowledge and strategies to bring the Smart Families mission into your own school.

## Join the PTL Volunteer list!

### Extra Credit Math:

If a triangular prism has a height of 6 inches, a base length of 4 inches, and a volume of 96 in<sup>3</sup>, what is the height of the triangular base? Must show all work.
