

Week of 9-22 to 9-26-25

Mrs. Chapman's PreK News

Dear PreK Parents,

“SHOW AND TELL” this coming THURSDAY – The scholars will bring in something that starts with the Letter Gg. Please make sure that your children participate each week for “Show and Tell”. This is an important skill for the scholars to learn. They learn what it means to be a good audience, and practice speaking in front of their peers. The skill set they learn include speaking clearly, and loud enough so that their audience can hear and understand them well. The scholars also learn the importance of eye contact with their audience. This will benefit the children as they progress in grade level, by helping them to be more confident with presenting before their peers.

If you would like to be a “Mystery Reader”, please let me know, and we will set it up when it is convenient for you. There will be a sheet that goes home next week that shows other fun ways for you to participate in our classroom. We love our families to be involved.

In other news, **“Franky Fox”** will be coming home next week. Please make sure to return Franky, the purple bag, and orange binder the following week when your child first returns to school. There will be a page for each child to share about their adventures with Franky. You can print pictures of some of the adventures shared. The children love sharing their memories with Franky!

You are always welcome to come join us for church at OSL on Sundays at 9:30.
