

Mrs. Prestwood's Ponderings
Third Grade

“I thank my God upon every remembrance of you, always in every prayer of mine for you all making request with joy, for your fellowship in the gospel from the first day until now; being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ....” Philippians 1:3-6

I have truly enjoyed this year with all of your children, knowing some of them from previous years and learning other new faces. Seeing the children grow from where I remember them from until now has filled my heart with gladness. I am thankful for each and every one of the parents as well, for it is you who make these children shine! I will remember each and every one of you in my hearts and will continue to pray daily for your families. Third graders are truly amazing!

MATH

Last week, we continued our Mad Math Minute tests for the scholars to practice their multiplication facts. The culmination of this testing will be on Tuesday, May 19, as the scholars will receive an ice cream party for their efforts. Next week, we will work with conversions that the scholars will use in everyday life.

Unit test on Friday, May 15.
Final on Monday, May 18

GRAMMAR

Last week, we learned about contractions, interjections, and possessive nouns. Next week, we will review possessive nouns and take both our grammar and spelling finals.

LATIN

Last week, we reviewed predicate nouns and reviewed all tenses of *sum*. Next week, we will not only review the last few chapters, but also learn 10 final vocabulary words.

No Latin tests!

“Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him.
Psalm 98:1

Looking for a home church? Join us on Sunday at **Our Savior Lutheran Church!**
Bible class - 8:15

Church - 9:30

Sunday School for all ages - after church

HISTORY

Last week, we learned about the Black Death in Europe and the Hundred Years' War. Next week, we will learn about Joan of Arc and the Fall of Constantinople. We will not have a history final!

We will review the states we have learned in geography.

SCIENCE

Last week, we took a test over what we have learned so far. Next week, we will not have science.

Ice Cream, You Scream!

The students are counting down the days until our ice cream party! When 15 students receive a 100 on their "Minute of Math Madness", the class will get free ice cream on Tuesday, May 19. Those who have achieved a 100 will also get chocolate sauce, sprinkles, whipped cream, and cherries. The scholars have worked hard to memorize their multiplication tables!

Learn By Heart, Week 36

Memory Work

Who receives this sacrament worthily? Fasting and bodily preparation are certainly fine outward training. But the person is truly worthy and well prepared who has faith in these words: "Given and shed for you for the forgiveness of sins." But anyone who does not believe these words or doubts them is unworthy and unprepared, for the words, "for you" require all hearts to believe.

"Let a person examine himself, then, and so eat of the bread and drink of the cup." 1 Corinthians 11:28

Please make sure you are checking your child's planner and signing it daily. This is the best way to communicate with your child about his or her school day and important assignments!
