MOORE NEWS

Please encourage your scholar to stay diligent with their work and attention during class instruction. With Christmas just around the corner, this will become increasingly more difficult.

In addition to staying diligent in their academics, please encourage them to make healthy choices, like healthy snacks (not candy), washing hands, and covering coughs. None of us want to be sick for Christmas.

I hope all of you are taking advantage of the amazing opportunity that you have been gifted through the Smart Families presentations. The information is extremely valuable in understanding the mental development of your

child. The information is not just about smart phone use. I know that I've benefitted from the information presented!

Nightly practice of Latin Vocabulary and Multiplication facts is necessary for scholar mastery of each subject. We USE multiplication throughout our year in Math, so this needs to be automatic.

We ALL need support navigating safely through the ever-changing technology universe! **Have you joined Parent ProTech yet?** Make sure you take advantage of this resource to aid your child(ren) as they grow up in this fast-paced, ever-increasingly dangerous, environment. See the newsletter for the link to join!

Thank you in advance for your support. We can't do this without you!

SCHOOL REMINDERS

TOY DRIVE

It's that time of year! Help make Christmas a wonderful time of year for those in need! SEE THE SCHOOL NEWSLETTER FOR SPECIFICS.

Smart Families

We invite all families to adopt four shared norms to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

IN CASE YOU MISSED OUT ON ANY OF THE SMART FAMILIES PRESENTATIONS-

Go to the school newsletter and access the archived version. Listening to each of them will be well worth your time!

Annual Fund - Donate Today!

Have you pitched in to ensure that your scholar is able to continue to enjoy our high-quality Christian education?

It takes all of us working together-even just \$5 helps! Make it a special Christmas gift and help us all earn extra time off in February.
