Seventh Literature

The Old Man and the Sea
by Ernest Hemingway

The Old Man and the Sea is full of meaning. If it wasn't, as a former student once insolently stated, "A guy goes fishing... The End" We will look at the internal conflict within the Protagonist, Santiago, as he struggles with what it meanest be worthy.

Eighth Literature

"The Fall of the House of Usher" by Edgar Allan Poe

This story is weird and creepy. Apparently the actual building 'House of Usher' and the genetic 'House of Usher' are very ancient and somehow tied together. The narrator has been invited by Roderick Usher to help him recover from his depression. The death of his twin sister is not helping. Vocabulary will be very important is our study of this short story.

Annual Fund - Donate Today!

Through our annual fund, we seek to ensure that our school continues to provide high-quality Christian education to all our scholars, regardless of their financial circumstances.

All gifts will allow Our Savior Lutheran School to go above and beyond for its scholars and families. We have a lofty goal this year for our #EagleFund of **\$100,000**.

Please help us meet our end of year budget needs by supporting this year's #EagleFund campaign!

If we reach our goal by December 31, our scholars will get an extra day of Winter Break in February!

Thank you in advance for your support. We can't do this without you!
