Mrs. Spangler's Kindergarten Newsletter

Week 13 – Trinity 20

Kindergarten Families,

We had a great week in Kindergarten! Ask your child what their favorite Reformation activity was! We had a lot of fun acting out the events! We made our own printing press, threw papal bulls into “fire”, and even nailed the 95 theses (with golf tees) on the door (foam board) of Castle Church! We made Reformation bracelets, competed in Bible Bowl, and made a Luther Rose with sugar cookies and fruit and a lot more!

Your child grows every day, but their uniforms don't! *If shirts are too short to stay tucked in or skirts/dresses are more than two inches above the knee, it is time to call Flynn O'Hara or visit the OSL resale shop.*

Please send Advent calendar items by 11/3, so they can be wrapped. If you can wrap your items, please send them by 11/12, so assemblers have time to assemble! Finished calendars are due on 11/20.

Turkeys were in Friday Folders last week. Your child can disguise the turkey anyway they choose, so they are not chosen for Thanksgiving dinner! **Please return by November 7.**

Eagle Fund has started! Please consider giving using the QR code on the bottom right corner of this newsletter or the link in the school's newsletter!

Please make sure you have read the School Newsletter.

Thank you,
Mrs. Spangler

Lock Words

a, and, black, is, on, the, white, brown, said, see, stop, to, for, go, get, l, like, no, red, her, ouch, want, will, with, **yellow, yes, you**

Parents, using a "**tap, map, write, and read**" routine is a great way to practice our lock words. **Tap:** Tap out how many sounds are in the word. This can be done with fingers or tokens. **Map:** If the word has 3 sounds, draw 3 lines or sound boxes. Then have your child write the letters in the box that correspond with that sound. **Write:** Have your child rewrite the word, making a list of all words practiced. **Read:** Have your child read the list of lock words they just practiced. Talk about word meaning and ask if they can use the word in a sentence!

This process helps facilitate orthographic mapping. Orthographic mapping is the mental process of storing words in long-term memory for instant retrieval!
