Spring Blessings

Dear Parents,

We invite you and your family to join us for our special Holy Week services at Our Savior. See the attached sheet listing worship opportunities. We will continue to celebrate the glorious resurrection of our Lord and Savior the Tuesday we get back from Easter break with our classroom *Jesus is Risen* parties. We hope many of you will be able to join us. What a blessing it is to share the miracle of Easter with our littlest scholars!

This month in April we will have our annual Early Childhood Field Day on Thursday, April 18. Again, we hope you can join us for this fun event! More information is included in the newsletter.

Finally, we will have another Love lesson this month. I look forward to this precious time with the children teaching them about God's love.

Blessings on your family's Easter celebrations.

Sincerely in Christ,

Lynette Cherington
Early Childhood Director & Assistant Principal

Preschool Teacher Conferences

As the school year comes to an end, your child's teacher would like to take this time to let you know your child's progress spiritually, academically, and socially. Please look for an email with a Sign Up Genius link from Ms. McBride or Ms. Pigeon later this month inviting you to sign up for a time during the **weeks of April 29-May 3 and May 6-10.**

Kindergarten Readiness Testing

We are in the midst of testing our current Pre-K students. The Kindergarten Readiness Test is one of the many tools we use to evaluate your child, and the results of the test will be shared at the Pre-K Parent Teacher Conferences. Look for an email from Mrs. Cherington or your child's teacher later this month inviting you to sign up for a time during the **weeks of April 22-26 or April 29-May 3.**

Spring Program

Our Preschool, Pre-K, and Kindergarten classes are preparing songs to perform at our Early Childhood Spring Program. Parents, we invite you to join us in the church for this special event on Tuesday, May 16 at 9:30 am. We will send more details about the program closer to the date.

God is Love

In addition to the many things your children are learning, each month we will concentrate on teaching the children the attributes of God's love found in I Corinthians 13. In April, we will learn that **love hopes all things, endures all things.** When we hope all things, we understand that we are all a work in progress, becoming more and more like Christ, even if it is sometime difficult to see. This verse describes God's love as ever encouraging, treating people better than they deserve, and patiently waiting for us to grow.

Daily Reading Sheet

Attached to the newsletter is this month's Daily Reading Sheet. This month the children will color bugs to mark each day that you read to them. Please send March's reading sheet by April 4th for your child to receive a special recognition.
