

Salvete parents!

Thank you for the Valentines goodies last week. I feel very blessed to have your children in my life. Although it was a short week, we wasted no time! We got through so much learning! This week we wrapped up our solutions and mixtures in science, learned how to find the peRIMeter of a shape, about back to back wars in the colonies, did some paragraph writing and started our new novel *The Courage of Sarah Noble*. We look forward to another great week next week. Thank you for all of your support!

Please help us reach our goals for our Annual Eagle Fund! Only 5 students in our class have made donations. If all the students in our class make donations (OF ANY AMOUNT) each student will get a FREE DRESS PASS! Ask those Grandparents, Aunts, Uncles, and Best Friends!! Here is the link to send out to them : <http://www.oslschool.org/giving>

Summer Camp registration is now open to all OSL Scholars 3 Years of up to 11. Enrollment is now open to the public. Register now to reserve your spot.

"To the Glory of God and the Salvation of Man"
Our Savior Lutheran School

Next week:

Math: Unit test, thousands and place value notation

Spelling: /k/ sound in the middle of a word "Chuck the Chick"

English: Chapter 7 (paragraphs)

History: Fighting over North America

Literature: *Courage of Sarah Noble* Chapter 3 and 4 Golden Sunset

Memory:

St. Paul writes in Romans chapter six: We were therefore buried with Him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.
