

Mrs. Prestwood's Ponderings

Third Grade

Wow! What a Week!

This last week was filled with fun, even if our schedules were changed a bit. We got to experience an awesome all-school picture, a hymn walk where we heard some of our favorites, a Bible trivia challenge for our brains, and relay races for our bodies. All in all, God's love and goodness was discovered with our whole body! What a way to glorify the LORD! This next week, continue to work hard on history projects, learn about what happens when we "Step Up" to the fabulous fourth grade, and keep studying all the knowledge that is being poured out on you daily. Blessings on your week ahead!

MATH

Last week, we skip counted by 8's and we reviewed pints, quarts, and gallons. Next week, we will learn our 8's facts as we finally fill in all the blanks for our multiplication table!

Test on Friday, February 6.

GRAMMAR

We continue learning about conjunctions, specifically AND, OR, and BUT. We also continue to work with conjunctions and classifying different types of sentences with conjunctions.

LATIN

Last week, we learned about the 2nd declension neuter endings for nouns. Next week, we will continue to review the 2nd declension neuter noun endings, but we will be adding more vocabulary. Continue to study these words a little each night.

"Oh sing to the LORD a new song, for he has done marvelous things! His right hand and his holy arm have worked salvation for him. Psalm 98:1

Looking for a home church? Join us on Sunday at **Our Savior Lutheran Church!**
Bible class - 8:15

Church - 9:30

Sunday School for all ages - after church

HISTORY

Last week, we learned about Iceland and it being called "The Land of Fire and Ice". Next week, we will learn about Good King Wenceslaus and Otto I of the Holy Roman Empire.

Second deadline for history fair project is February 6.

SCIENCE

Last week, we learned Robert Grossetest and how he produced the scientific method which we use today to question, hypothesize, experiment, and observe. We watched as newspaper caught on fire from the sun (just on video!) Next week, we will learn about Roger Bacon and his experiments to prove others' theories.

Learn By Heart, Week 23, Epiphany 4

Memory Work: What is baptism? Baptism is not just plain water, but it is the water included in God's command and continued with God's word. **Which is that word of God?** Christ our Lord says in the last chapter of Matthew: "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit."

"Jesus answered, "Truly, truly, I say to you, unless one is born of water and the Spirit, he cannot enter the kingdom of God. That which is born of the flesh is flesh, and that which is born of the Spirit is spirit." St. John 3:5-6

Important Reminders

- **Math chapter 20 test - Friday, Feb. 6;**
Memory Work test - Friday, Feb. 6
- **Farmer Boy Quiz (21-29) - Tuesday, Feb. 3**
