Mrs. Engel's Kindergarten Newsletter

Week 9 – Trinity 16

OUR SAVIOR
LUTHERAN SCHOOL

Kindergarten Families,

We had a great week in Kindergarten! Make sure to look through the work that comes home in Friday Folders. There may be notes written in the margins. For math, anything circled in marker was wrong or missing when they turned it in. I have all scholars make corrections right away. Please pay attention to page 2 of the newsletter for a running list of phonemes and lock words that have been taught and ideas on how to practice! Letter name and letter sound charts are a great way to reinforce the letter/sound connection with your child. Look for these in the phonics packet that comes home on Fridays. Rainbow writing lock words is great practice. Write each sound in a different color. For example, our lock word 'see' would have 's' written in one color and 'ee' written in a different color. We want to bring awareness to the sound/symbol relationship! If you are interested in more ideas to support phonics at home, let me know! We have finished *Illustrated Stories from Shakespeare* and have started *James Herriot's Treasury for Children*. Everyone liked *Illustrated Stories from Shakespeare* but *Illustrated Stories from the Greek Myths* is still the class favorite! They asked me to read it again. I said we could maybe reread it after Christmas break. Please practice any Lock Words that were missed on the spelling paper coming home today! Thank you to Mrs. Durr (Mrs. Armstrong's classroom aide) for her wonderful presentation on the Philippines and the delicious food she brought! Ask your child about pascit and lumpia!

Please make sure you have RSVPed any Grandparents or VIPs for Grandparents Day! The registration link can be found in the school newsletter. Be on the lookout for a Sign Up Genius link for Parent Teacher Conferences. I look forward to meeting with you and showing you all the wonderful things your child has accomplished in kindergarten so far!

Eagle Fund has started! Please consider giving using the QR code on the bottom right corner of this newsletter or the link in the school's newsletter!

Please make sure you have read the School Newsletter.

Thank you,
Mrs. Engel

Lock Words

a, and, black, is, on, the, white, brown, said, see, stop, to, for, go, get, **l, like, no**

Parents, using a "**tap, map, write, and read**" routine is a great way to practice our lock words. **Tap:** Tap out how many sounds are in the word. This can be done with fingers or tokens. **Map:** If the word has 3 sounds, draw 3 lines or sound boxes. Then have your child write the letters in the box that correspond with that sound. **Write:** Have your child rewrite the word, making a list of all words practiced. **Read:** Have your child read the list of lock words they just practiced. Talk about word meaning and ask if they can use the word in a sentence!

This process helps facilitate orthographic mapping. Orthographic mapping is the mental process of storing words in long-term memory for instant retrieval!
