FRIDAY-END OF QUARTER

MOORE NEWS

This week just flew by-granted, it was only 3 days! We were blessed to listen to some gifted students from Memorial Lutheran School and OSL. This opportunity delayed some of our other studies, so please be aware that some of our previously posted tests and projects now have new dates.

We have so much knowledge to gain between now and May so PLEASE stress to your child the importance of listening and following directions so that we can learn as much as possible to be prepared for the next level of education. These

next 2 weeks plus the next Quarter go very swiftly and activities increase.

Academic workload is increasing in amount and difficulty. Be sure to read through this newsletter, your scholar's assignment planner (please ask to see this as an added emphasis to its importance-next year it will be invaluable!), and FACTS so that you can continue to support your scholar at home. If there is a disparity, your child's planner should be the most accurate, as we write what we actually accomplished in class. **STRESS TO YOUR SCHOLAR THE IMPORTANCE OF WRITING ASSIGNMENTS IN THE PLANNER THEY ARE GIFTED.** This is the best communication tool (scholar to self and supporting adults) we have.

Also, please be asking your child to see work returned to them. Usually, work is returned on Fridays. However, I do return tests during the week so that if a test needs to be revisited for mastery-because the score is below 85-there is time to review before retaking. We go through the answers together as a way for all of us to review concepts. I also write on the test the scheduled date of the retest.

Speaking of writing notes on tests/quizzes, remember for any tests (not Math, English, or Latin) or quizzes with grades below 70, scholars will be given an opportunity to fix answers and return. Return by dates are written on the initial copy and a clean copy is attached. Don't let your child miss out! I would love to see more 5th grade scholars receive Honor Roll recognition for 3rd Quarter!

LIBRARY VOLUNTEERS!! If you can help in the library for our class, please let me know. We go every other week, normally from 12:20-12:50 on Tuesdays. **FEBRUARY HAS BEEN COVERED!! THANK YOU.** PLEASE Look ahead at March 3, 17, 31 to see if those dates would fit your schedule. **LET ME KNOW ASAP** so that I know that we are good to go. ☺

Healthy scholars experience better academic success! Please help your child make **healthy choices**, like choosing **healthy snacks (not candy)**, washing hands, covering coughs, and getting a proper night's sleep. Absences make learning more difficult since much of our material is presented orally.

I hope all of you are taking advantage of the amazing opportunity that you have been gifted through the Smart Families presentations. The information is extremely valuable in understanding the mental development of your child. **The information is not just about smart phone use.** The last presentation was about improving connections! I don't think any of us have this perfected. If you missed it, be sure to listen to the recording. I know that I've benefitted from these presentations!

Nightly practice of Latin Vocabulary and Multiplication facts is necessary for scholar mastery of each subject. We USE multiplication throughout our year in Math. **WE HAVE NOW REACHED A CONCEPT THAT REQUIRES A SOLID, WORKING KNOWLEDGE OF MULTPLICATION** so this needs to be automatic. Learning a new language, like Latin, takes constant practice as well.

We ALL need support navigating safely through the ever-changing technology universe! **Have you joined Parent ProTech yet?** Make sure you take advantage of this resource to aid your child(ren) as they grow up in this fast-paced, ever-increasingly dangerous, environment. See the newsletter for the link to join!

HOW'S THE SCIENCE/HISTORY FAIR

RESEARCH COMING? This weekend is a great time to finish finding sources and recording information for this project. It is also a great time to work on compiling the information and finalizing how it is going to be presented.

Have you bought the project board yet? Don't hesitate, the availability decreases the closer it gets!

Be sure to record all sources used for information and graphics on the Works Cited Page that has already been started.

ONLY 1 MORE WEEK UNTIL THE MARCH 2 due date for History/Science Project. I can't wait to see the final results! This project is to be a scholar-guided family learning opportunity. Remember, this will be a TEST grade in Science and History, so do encourage your scholar to do their best!

SCHOOL REMINDERS

OUR NEW PRINCIPAL ANNOUNCED!

Read all about it in the School Newsletter!

SUBSTITUTES NEEDED! Know anyone interested? Please see the School Newsletter for information about submissions/suggestions.

UNIFORM CHECK!!! As our scholars grow, so must their uniforms. See the HANDBOOK for specifics to check! REMEMBER LADIES-2 inches above the knee at most for the skirt hem! Apparel needs to be in good repair (I've noticed many missing buttons and rips). Tennis shoes are to be SOLID white, SOLID black or ONLY WHITE AND BLACK. No other colors, including green.

LADIES: MAKE-UP is reserved for 8th graders only. See the school handbook for more information.

SCHOLAR LOST SOMETHING? Check with the office for directions to our OVERFLOWING Lost and Found bins!! Don't forget to write your scholar's name in/on articles of clothing and water bottles so that they can be identified and returned directly (and avoid the Lost & Found)!

NEED MORE OSL SPIRIT WEAR? Spring Spirit Shop is **NOW OPEN AND CLOSING ON FEB. 26**. Use the link in the School Newsletter to order YOURS today!

THE NEW BUILDING needs furnishings, too, and THIS CLASS will be some of the first to use it! See the School Newsletter for opportunities still available and needs still unfulfilled! Let's be sure our scholars are set for success this fall.

Smart Families

We invite all families to adopt four shared norms to support student well-being: prioritize family and values, delay smartphones until high school, delay social media until at least age 16, and support a phone-free school day.

IN CASE YOU MISSED OUT ON ANY OF THE SMART FAMILIES PRESENTATIONS, which include a variety of subjects, not just phone use, go to the school

newsletter and access the archived versions. Listening to each of them will be well worth your time and help you become more informed parents (we all would like guidance in this important calling)!

Waiting for a scholar in after school activities to finish or just enjoying the beautiful "winter" weather by playing on our campus? PLEASE have your child(ren) refrain from moving the landscaping rocks! These rocks have a purpose where they are and need to stay in place for everyone's safety. **THANK YOU FOR YOUR ASSISTANCE in supervising your child!** And of course, enjoy our beautiful campus safely and in accordance with school guidelines!

A WAY TO SUPPORT THE OSL YOUTH!

Like to Run/Walk? OSL 5K FUN RUN on March 28th. Register & Pay by March 1 to be guaranteed a t-shirt.

OSL CAMP OUT NIGHT IS HERE!

See the school newsletter for how YOU can be a part of this tradition! This year's date: Friday, February 27. DON'T MISS OUT!

SUMMER?!?!?!?

Our own OSL Summer Day Camp is now open for Registration! Weekly Sessions run June 1-July 24. Check out the options through the FACTS Family Portal and more details/instructions in the School Newsletter.

Don't forget the 1 WEEK ONLY DRAMA CAMP provided at OSL by the AD PLAYERS.

Like Theater? Be sure to see the Concordia Lutheran H.S. presentation of **FROZEN!** See school newsletter for information! (OSL Alumni are involved!)
